

RDS Delivery Service

A Warm Welcome to NYC

Larry Zogby, President RDS Delivery (NY), brought together Kirk Godby, President Corporate Couriers (TX), joined by his parents and three clients, as well as Larry Schwartz, Baron Messenger (FL), while in NYC on business. This was the Godby's first trip to NYC, and although this was a business trip, Mr. Zogby made them all feel right at home with great family style dining at NYC's Time Square restaurant, Carmines.
