IT WAS A BEAUTIFUL NIGHT. ON JUNE 15TH WE had our Annual Summer Party in the Terrace Room of the Rockefeller Center Hotel and the evening was a huge success. Our annual award for a member who does extraordinary service for our organization is recognized with a plaque for his hard work. Larry Zogby of RDS Delivery was the recipient this year. Larry is energetic and gives his all to our association. A well deserved award.

There were so many nice surprises during the evening—one was the giving of a bottle of wine to all members by the firm of Diapoules & Feinstein. It was a nice treat to bring home.

We had raffles for several prizes, ranging from Yankee tickets to gift certificates to Radio City Music Hall tickets. The view from the outdoor terrace looked right over at the Music Hall. This restaurant is in such a lovely setting. As the evening wore on you could see the sun setting in New Jersey. Our special thanks to All Van Ness and Curtis Hight for securing this restaurant for us.
