## Knowing When To Hold 'Em

Larry Zogby, RDS Delivery Services' president and long time member of the New York Chapter of Entrepreneurs Organization, attended the EO's Fundraising event of Texas Hold 'em Poker Night starring Greg "Fossil Man" Rayner, reknown for his gamemanship in the World Series of Poker. Not only were great poker tips shared, but also how to apply these tips in business. The evening was a hugh success and rumor has it that Mr. Zogby is still holding'em.
