

RDS Delivery Service

Talent Beyond the Delivery

RDS Delivery Services' long-time messenger, Joey Corchado, draws in his off hours. Joey uses ink to bring out amazing details as he depicts heroic characters in his drawings. RDS is proud to be working with this young man since 1999 as he brings as much attention to the details in his work with us as he does with his art work.

436 East 11th St.
New York NY 10009
